

TRAINING PROGRAMME

RUNNING SPANISH CLUBS THROUGH EXTENDED SCHOOL PROGRAMMES

COURSE #6413

COURSE OUTLINE

Those wishing to initiate a Spanish club for pupils, or pupils and their parents, and who have little or no competency in Spanish language or culture would benefit from this course. Our highly interactive training programmes will equip delegates with the competencies to enthuse learners to engage in the many aspects of Spanish life – cultural, Spanish cooking and conversational Spanish.

SESSIONS WILL:

- develop staff's ability to introduce basic conversational Spanish
- provide practical methods and innovative activities to make learning fun – whatever the age!
- outline strategies which allow learners to manipulate Spanish language as naturally as they do their mother tongue
- teach how to cook – Spanish style!
- introduce or extend learners' knowledge of Spanish culture

COURSE FEES INCLUDE DISTRIBUTION OF TEACHING MATERIALS AND RESOURCES TO EACH SCHOOL OR DELEGATE ALLOWING FULL IMPLEMENTATION OF THE MFL INITIATIVE IN THE FIRST YEAR.

***Mission Statement:** To instil in delegates, regardless of linguistic ability, the knowledge and desire to teach a foreign language. To make language learning come 'alive' in the classroom while guaranteeing successful learning to all pupils irrespective of age or ability.*
