

TRAINING PROGRAMME

RUNNING FRENCH CLUBS THROUGH EXTENDED SCHOOL PROGRAMMES

COURSE #6415

COURSE OUTLINE

Those wishing to initiate a French club for pupils, or pupils and their parents, and who have little or no competency in French language or culture would benefit from this course. Our highly interactive training programmes will equip delegates with the competencies to enthuse learners to engage in the many aspects of French life – cultural, French cooking and conversational French.

SESSIONS WILL:

- develop staff's ability to introduce basic conversational French
- provide practical methods and innovative activities to make learning fun – whatever the age!
- outline strategies which allow learners to manipulate French language as naturally as they do their mother tongue
- teach how to cook – French style!
- introduce or extend learners' knowledge of French culture

Course fees include distribution of teaching materials and resources to each school or delegate allowing full implementation of the MFL initiative in the first year.

Mission Statement: *To instil in delegates, regardless of linguistic ability, the knowledge and desire to teach a foreign language. To make language learning come 'alive' in the classroom while guaranteeing successful learning to all pupils irrespective of age or ability.*
